Occupational safety is everyone’s business – Do you know your responsibilities?

**EMPLOYEES**
- Take care of themselves and each other
- Follow instructions
- Report risks and hazards

**MIDDLE MANAGEMENT**
- Instructs, supervises and takes care of the working conditions and the work environment
- Decides on production and work methods and procurement
- Monitors and evaluates

**TOP MANAGEMENT – ENABLER, STRATEGIC LEVEL**
- Decides on goals, policies and resources
- Monitors and evaluates

**IMMEDIATE SUPERVISOR**
- Provides orientation and instructions
- Supervises and looks after the employees
- Monitors and evaluates

**OCCUPATIONAL HEALTH AND SAFETY COOPERATION – ACTOR IN AN ORGANIZATION**
- Observes the work environment and working conditions
- Identifies disturbances
- Makes development suggestions
